

DALKE

Dalke & Sons Construction, Inc.

Serving Southern California's Construction Needs for Over 28 Years.

Our Mission:

"We at Dalke & Sons Construction, Inc. will go that extra mile to provide value for all our customers needs. Providing quality, experience, integrity, and that personal touch that is too often lost in today's business world."

DALKE & SONS CONSTRUCTION, INC.

We would like to take the time to welcome you to **Dalke & Sons Construction, Inc.** We are a family owned and operated company. The principal owner Cal Dalke has been in the construction field for more than 53 years. He has been involved in all facets of the construction industry. Thru years of hard work and

dedication, he worked his way up from general carpentry to owner of this corporation. In 1989 his four sons came to work for the company bringing with them an additional 15 to 20 years of construction experience. Cal has since retired. Now with his sons having worked for the company close to 30 years each now run all aspects of the company.

Our company incorporated in December of 1990 taking on the **Dalke & Sons Construction, Inc.** name. We have a B-1 license and added a C-10 license in 2001

Our staff of skilled workers has the technical knowledge, team work and experience to successfully complete our projects on time and within budget. Our expert project managers bring with them numerous years of experience working in the construction trade. They have successfully completed dozens of projects for our many satisfied clients.
